Call for Proposal

National Trust for Nature Conservation (NTNC) Manaslu Conservation Area Project (MCAP)

NTNC-MCAP Research Grant Support program to fund one student is accepting proposal from Master's students who are writing dissertation this year as regular student. This initiative is aimed at fostering innovative research that contributes to the advancement of Tourism of Manaslu Conservation Area (MCA).

Eligibility Criteria

1. Applicant must be a current Master's Degree Student from institutions across Nepal in Natural Resource management, Environment Science, Forestry, Sociology, Tourism studies, Hospitality management, Travel and Tourism management and other related fields.
2. The proposed research should align with the themes of **Sustainable Tourism and Community Development of MCA**.
3. The proposal must demonstrate a clear research question, methodology and potential impact on the chosen field.
4. The selected applicant must have to spent minimum of 3 months in MCA for field work.

Grant Details

1. Grant Amount: 150000/- (Tax will be deducted as per the Government Rules)
2. Durations: March-May 2024
3. Application Deadlines: 27th February 2024

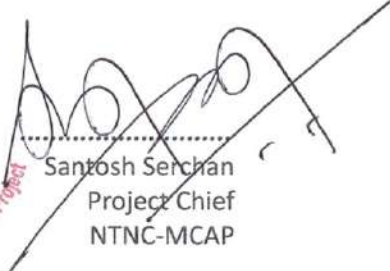

Application Procedure

Interested students are required to submit a detailed research proposal, along with their curriculum vitae and a letter of recommendation from their academic advisor and the Department head/Campus chief/Principal of the enrolled college. The submission should be sent through email ntncmcap1663@gmail.com by **27th February 2024** as a single pdf file (*Your name_Proposal_2024*). The proposal should be in A4 size page format, 1.5 spacing with 1 inch margin in all sides, 12 font sizes, Times New Roman Fonts and must not exceed 10 pages in Lengths. The selection committee will evaluate the proposals and shortlist candidates based on their academic merit, feasibility, and alignment with the focus areas. Shortlisted candidates may be invited for an interview to further discuss their research proposals.

We encourage eligible students to take advantage of this opportunity to contribute to the ongoing research efforts in Tourism and Sustainable Community Development. For further information, please contact at address below:
