

NATIONAL TRUST FOR NATURE CONSERVATION GAURISHANKAR CONSERVATION AREA PROJECT

Head Quarter, Singati, Dolakha

Notice No.: 07 /2081/82

Date: October 29, 2024

Research Grant Result Announcement

With reference to notice on the Request for Proposal for Student Research Grant Support Program announced by NTNC-GCAP Darwin Initiative Project on 11th September 2024. This is notified that following are successful candidates selected for the research grant.

SN	Name of Researcher	Affiliated Institution	Research Title	Level	Grant Amount (NPR)
1.	Mr. Manish Bhujel and Ms. Anju Bhandari	Agriculture and Forestry University, Hetauda, Nepal	Evaluating the Interdependence of Ecology and Economy: The Impact of Tourism on Biodiversity and Local Development in the GCA". (Case study from Ramechhap, Rolwaling and Lapchi Area).	BSc	50,000/-
2.	Mr. Binaya Dulal	Tribhuvan University, Institute of Forestry, Hetauda, Campus Hetauda,		BSc	50,000/-
3.	Ms. Lhamu Dolma Sherpa	Tribhuvan University, Institute of Forestry, Hetauda, Campus Hetauda,	Assessing the Status and Distribution of Wetland in the GCA: Morphology, Ecological Importance and Conservation Challenges.	BSc	50,000/-
4.	Mr. Nabin Kumar Sah, Mr. Amarnath Kumar Sharma Mr. Shivnandan Yadav	School of Engineering, KU and TU		BSc	50,000/-
5.	Ms. Nista Ghimire	Tribhuvan University, Institute of Forestry, Hetauda Campus	Status and Conservation needs of Herpetofauna in the Gaurishankar Conservation Area: Biodiversity, Threats and Management Strategies	BSc	50,000/-
6.	Mr. Saphal Bimb	Tribhuvan University, Tri-Chandra Multiple Campus,		BSc	50,000/-
7.	Mr. Manish Pandey	Institute of Forestry, Pokhara Campus, Pokhara.	Exploring Avifaunal Diversity along the Elevation Gradient in the trekking route of Sindhupalchok Gaurishankar Conservation Area: Habitat Association and Conservation Implications".	BSc	60,000/-
8.	Mr. Puskar Bishokarma	Institute of Forestry, Hetauda Campus, Hetauda.		BSc	40,000/-

Cont.

Tulasi Prasad Dahal
Project Chief

NATIONAL TRUST FOR NATURE CONSERVATION GAURISHANKAR CONSERVATION AREA PROJECT

9.	Mr. Kiran Chaulagain	Amrit Science Campus, TU	Impact of linear Infrastructure Development in Dolakha Districts of Gaurishankar Conservation Area	BSc	50,000/-
10.	Ms. Nista Shrestha and Ms. Nikita Shrestha	Department of Geomatics Engineering, KU.		BSc	50,000/-

Waiting Candidate:

S.N	Name of Researcher	Affiliated Institution	Research Tital	Level
1.	Mr. Nabin Bhandari	Tribhuvan University, Institute of Forestry, Pokhara Campus	Evaluating the Interdependence of Ecology and Economy: The Impact of Tourism on Biodiversity and Local Development in the GCA". (Case study from Ramechhap, Rolwaling and Lapchi Area).	BSc
2.	Ms. Anupama K.C	Department of Environmental Science and Engineering, KU	Assessing the Status and Distribution of Wetland in the GCA: Morphology, Ecological Importance and Conservation Challenges	BSc
3.	Mr. Sudip Adhikari	Institute of Forestry, Hetauda Campus, Hetauda	Status and Conservation needs of Herpetofauna in the Gaurishankar Conservation Area: Biodiversity, Threats and Management Strategies	BSc
4.	Ms.Aenisha Basnet	Tribhuvan University, Central Department of Environmental Science	Exploring Avifaunal Diversity along the Elevation Gradient in the trekking route of Sindhupalchok Gaurishankar Conservation Area: Habitat Association and Conservation Implications".	MSc
5.	Ms. Pooja Paudel	Tribhuvan University, Central Department of Environmental Science	Impact of linear Infrastructure Development in Dolakha Districts of Gaurishankar Conservation Area".	MSc

The above successful candidates are requested to contact at NTNC-GCAP Headquarter Singati, Dolakha, (gcapdolakha@gmail.com, 049-410063) within 7 working days (i.e., by November 11th, 2024) during office hours. If any of the successful candidates not able to response within the given timeframe, then the respective waiting candidates will be awarded accordingly.

"Congratulation and Good Luck"

Tulasi Prasad Dahal
Project Chief
