**AUDIT REPORT**

The Member Secretary,  
National Trust for Nature Conservation,  
Khumaltar, Lalitpur.

**Report on the Financial Statements**

We have audited the accompanying Financial Statements of the National Trust for Nature Conservation (NTNC) which comprise the consolidated Statement of Financial Position as on 16 July. 2019 (31 Ashadh, 2076 B.S), Consolidated Statement of Comprehensive Income and Cash Flow for the year then ended and a summary of accounting policies and other explanatory notes.

**Management's Responsibility for Financial Statements**

Management is responsible for the preparation and fair presentation of Financial Statement in accordance with Generally Accepted Accounting Principles (GAAP). This responsibility includes: designing, implementing and maintaining internal control relevant to preparation and fair presentation of financial statement that are free from material misstatement. Whether due to fraud and error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

**Auditor's Responsibility**

Our responsibility is to express opinion on these financial statements based on our audit. We conducted audit in accordance with Fundamental Principles of public sector auditing issued by the International Organisation of Supreme Audit Institutions (INTOSAI), Government auditing standards and directives and guidelines issued by the Office of Auditor General Nepal (OAGN). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error. In making those risk assessment, the auditor consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the accompanying financial statements present fairly in all material respects, the financial position of the National Trust for Nature Conservation (NTNC) as at 16 July. 2019 (31 Ashadh, 2076 B.S), and its financial performance for the year then ended In accordance with Generally Accepted Accounting Principles (GAAP) used by the Trust.

# NATIONAL TRUST FOR NATURE CONSERVATION

## Khumaltar, Lalitpur, Nepal

Financial Year 2075/76 (2018/019)

### Significant Accounting Policies and Notes to Accounts

#### 1. Background

- 1.1. National Trust for Nature Conservation (NTNC) was established in 1982 pursuant to National Trust for Nature Conservation Act 2039 BS (formally King Mahendra Trust for Nature Conservation). The main objective of NTNC is to conserve, manage and promote nature in all its diversity balancing human needs with the environment on a sustainable basis for posterity ensuring maximum community participation with due cognizance of the linkage between economics, environment and ethics through a process in which people are both the principal actors and beneficiaries. The Central office of NTNC is located at Khumaltar, Lalitpur, Nepal. It has different project offices namely: Annapurna Conservation Area Project (ACAP) in Kaski District, Biodiversity Conservation Center (BCC) in Sauraha, Chitwan District, Bardia Conservation Program (BCP) in Thakurdwara, Bardia District, Suklaphanta Conservation Program (SCP) in Suklaphanta, Mahendranagar District, Central Zoo in Jawalakhel, Lalitpur District, Manaslu Conservation Area Project (MCAP) in Gorkha District and Gaurishankar Conservation Area Project (GCAP), Charikot, Dolakha District.
- 1.2. These financial statements have been prepared under the responsibility of the management and have been endorsed by the management of NTNC.

#### 2. Accounting Principles and Policies

The financial statements have been prepared under historical cost convention under generally accepted accounting principles. NTNC has followed all principles and policies consistent with previous's year otherwise than mentioned below. The principles and policies adopted are presented below:

##### 2.1. Fixed Assets

Fixed assets have been stated under historical cost. Cost of fixed assets purchased under the project has been debited to fixed assets with corresponding credit to Capital Assets Fund. The project assets are first charged as project cost and later transferred to fixed assets in the year of purchase by crediting capital assets fund at the value at which it was procured.

Land received from Government of Nepal (GoN) has been included in the financial statement. NTNC has received the grants in kind for its own building with the assistance from the Government of The People's Republic of China. The values of such land received from the Government of Nepal and the building from the Government of the People's Republic of China are included in the fixed assets.

## 2.2. Depreciation

Depreciation has been considered under diminishing balance method. Rates have been as follows:

Furniture and Fixtures	25%
Vehicles and Automobiles	20%
Equipment	25%
Building	5%
Land	N/A

Depreciation on assets procured under project has been debited to capital assets fund with corresponding credit to the fixed assets

## 2.3. Inventory

NTNC has policy to expense off procurement of inventory and recurring items at the time of procurement. The inventory value of recurring items though available is insignificant.

## 2.4. Investment

Investment has been stated at par value (face value being cost price). This comprises mostly deposits with financial institutions. These investments are categorized as General investment, Employment Benefit Fund and Human Wildlife Conflict Management Fund.

## 2.5. Exchange Fluctuation

Assets in foreign currency (especially in deposits) have been revalued based on the exchange rate prevalent at the annual closure date. It is the policy of NTNC to credit difference arising from such revaluation to Exchange Equalization Reserve. Net revaluation/exchange fluctuation loss of **NPR 4,856,613.48** has been deducted from Exchange Equalization Reserve during this fiscal year.

## 2.6. Income from Entry and Entrance Fee

The income from entry and entrance fee is accounted on cash basis i.e. upon receipt of cash after issuing the entry permits and sales of the tickets.

## 2.7. Income from Investment

Income from investment has been accounted on accrual basis.

## 2.8. Endowment Fund

Endowment fund has been maintained as fixed deposit at 'A' class financial institutions and fund in foreign currency has been revalued based on the exchange rate prevalent at the annual closing date.

## 2.9. Employee Benefit Fund Payable

Employee benefit fund payable includes provision for gratuity, provision for annual & sick leave and staff welfare fund.

#### 2.10. Other Income

Other income included donations, saleable items (calendar, landing charge for helicopter, penalties etc.). These are accounted on cash basis. Other incomes also included other donor's (restricted) fund remaining after all activities completed under donor's agreement and which remained unclaimed for longer period.

#### 2.11. Restricted Project Fund and treatment of income and expenditure

NTNC has entered into agreements with different donors for projects implementation under agreed terms and conditions of funding. The fund received has been reflected under the restricted fund account reduced by the amount of utilization. Accordingly, restricted fund income for the purpose of statement of comprehensive income has been considered to the extent of the expenditures incurred for the projects during the year. Since the fund received is restricted and refundable in the event of premature termination or if the balance remains after the completion of projects, these are considered to be income only to the extent expenditure incurred for the project. Accordingly, all balances remaining, after the fund received is reduced by the amount of expenditures, have been considered as restricted fund balances and these are directly transferred to restricted fund balance.
